

# Burgmann College Accommodation Rates 2021

## What do your fees cover?

Burgmann College is a proud not-for-profit, where residents' fees go directly to the provision of a premium residential experience in a thriving academic community. At Burgmann, residents' fees are inclusive of all annual events, including our annual Commencement (formal), Valete (formal) and Reconciliation Dinners as well as Principal's Dinners (Undergraduate) and Formal Dinners (Post Graduate).

In addition we hold numerous catered celebrations throughout the year including Chinese New Year, Eid and Christmas in July. The College offers a 24/7 on-call residential support system with three residential staff members living on-site (Principal, Deputy Principal and College Dean) who host our weekly Sunday morning tea of scones, jam and cream, fondly known as 'Luigi's'. Wifi and laundry facilities are also included.

# Our 50<sup>th</sup> Celebrations in 2021

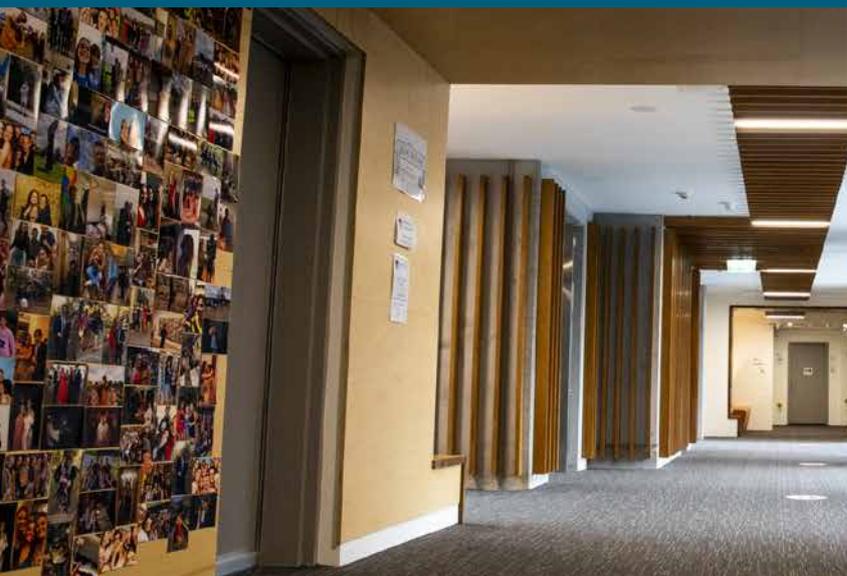

2021 will be a year of celebration at the College as we enter our 50<sup>th</sup> year. We have residents and alumni from across Australia and around the globe with whom we plan to connect and share stories as we reach this significant milestone. Our 2021 Back-to-Burg- Alumni 50<sup>th</sup> Celebration Weekend is likely to be one of the weekends in late August 2021, timing to be confirmed.

## Our recent refurbishment project

We are thrilled with our recently completed undergraduate refurbishment project. We built a number of accessible rooms in the Barassi Wing, so all residents can enjoy being a part of our community upstairs. We also upgraded the Barassi and front entrance to College so they are now accessible for residents and guests with mobility needs, and our new roof greatly assists the heating and cooling regulation of the building. Three new fire stairs were also built, one at each end of the two wings and the third set in the middle of the two wings outside the GP Room. To accommodate this third set of stairs, the two wings are now joined on each level link area, with seating and natural light along with the installation of our first lift.
